**Release Statement**

*This statistical information will be used to keep accurate records of the services provided by the community college Foster and Kinship Care Education Program. This information will assist the college in keeping accurate records of the classes that you take. It will also help the college to keep you informed of upcoming classes and events within the FKCE program at your local community college. Your name, address, phone number and partial social security number will remain confidential. Statistical numbers (demographics - i.e., gender, ethnicity, and education – not names) may be reported to funding agencies. No unauthorized person will have access to your information.*
