Dear President Hall:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met May 8, 2014 to review the Substantive Change Proposal from Lassen College for the new location of the Public Safety Academy, now named the Public Safety Training Facility.

The Committee acted to approve the request pending a federally mandated site visit, and commends the College on the completeness and clarity of the Proposal.

Due to recent changes in the U.S. Department of Education regulations, two evaluators are now required to accompany the ACCJC staff when conducting a site visit. This will be arranged when the College is planning for the visit.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, institutional effectiveness and educational quality.

Sincerely,

A handwritten signature in cursive script, appearing to read "Susan B. Clifford".
