The units and hours are being changed because of a regulation change that students cannot practice more than 10 hours a week. Fran stated that scheduling

25.5 hours would be difficult. The consensus was that 24 hours is the minimum for half a unit which would make it easier to schedule.

Sue Mouck brought up that community service courses cannot use district funds. The agenda shows that the key speaker is being paid for by EOP&S. EOP&S is categorical funds, will that show up in an audit as district funds? Should this be an event and not community service? We are still paying for our past mistakes. We need to make sure we have the correct paper work.
