FINANCES

International students must have sufficient funds immediately available to pay tuition and fees in advance. Bank verification of funds available to cover one year's financial need must be submitted with the application.

****Students are encouraged to pay in full upon registration****

ENGLISH

For those students whose primary language is not English, they must show oral and written proficiency in the English language using the Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS), or you may use Duolingo Testing.

International students who score below the minimum required levels will not be accepted

ACADEMIC PROGRAM

International students must enroll in a full-time program with 12 or more units each semester. Failure to maintain a full course of study may lead to dismissal from Lassen Community College and termination of your I-20.

FOREIGN COURSEWORK

Students who have satisfactorily completed courses from a foreign nation's appropriately accredited university may be able to apply the course credits toward an Associate degree at Lassen Community College. Students should consult a counselor BEFORE requesting to have credits evaluated, because the time it takes to evaluate a large number of units can delay enrollment. **Please note:** Foreign coursework will not satisfy requirements for American History/Government, English or reading.
