DESCRIPTION

This course trains personnel in advanced Incident Command System (ICS) concepts, building on ICS 100 and 200. It is intended for those assuming supervisory roles in incidents.
Modules include:

- ICS Review
- Unified Command
- Incident/Event Assessment & Agency Guidance
- Incident Resource Management Planning
- Demobilization
- Transfer of Command & Close-Out

Material fee required. A supplemental $76.00 State Fire Training FSTEP certification fee is due to Lassen Community College and will be collected at the time of registration.

Prerequisites: FEMA ICS 100, ICS-200, IS-700 and IS-800 or equivalent.
